Fifth Supplemental Inter-State Agreement

This Supplemental Reciprocal Agreement is made on this 16th day of August, 2006 between the Governor of Karnataka (hereinafter called the "Government of Karnataka") of the One Part and the Governor of Goa (hereinafter called the "Government of Goa") of the Other Part.

Whereas, it has been decided to augment stage carriage operations by way of inclusion of new routes for operation by both the State Transport Undertakings i.e. Kadamba Transport Corporation Limited (K.T.C.) and the Karnataka State Road Transport Corporation (K.S.R.T.C.) including the North West Karnataka Road Transport Corporation (N.W.K.R.T.C.) and the North East Karnataka Road Transport Corporation (N.E.K.R.T.C.) and for the enhancement of quota of goods carriage permits.

Now, therefore, notwithstanding anything contrary contained in but subject to other provisions of, the earlier Agreements entered into between these two Governments, in this connection, the Government of Karnataka and the Government of Goa mutually agree as follows:-

(I) Stage Carriage:

The parties hereto agree to maintain parity in kilometers, as far as possible. However, weightage of 2904 kms. shall be given to the Kadamba Transport Corporation considering the small size of the State of Goa.

- a) The Stage Carriage services on the Inter-State routes as shown in Schedule I hereto shall be operated exclusively by the State Transport Undertakings (K.S.R.T.C., N.W.K.R.T.C. and N.E.K.R.T.C.) of Karnataka.
- b) The Stage Carriage services on the Inter-State routes as shown in Schedule II hereto shall be operated exclusively by the State Transport Undertaking of Goa.
- c) The Stage Carriage services on the Inter-State routes as shown in Schedule III hereto shall be operated jointly by the State Transport Undertakings of Karnataka and the State Transport Undertaking of Goa, during the period from December 15th to January 15th every year i.e. during Christmas/New Year.
- d) Parties agree operation of relief buses (of the STUs) in place of the vehicle numbers indicated in the special permits obtained for operating Casual Contract under Section 88 (8) of the M. V. Act and temporary permits due to breakdowns, accidents, repairs, etc.
- e) Parties agree operation of buses of the STUs on suitable alternative routes in case of road repairs and blockade on routes specified in the Agreement for the convenience of the travelling public.
- f) The State Transport Authority of the Home State shall be competent to extend the validity of Stage Carriage permits granted by it to the STUs to the

portion of the Inter-State route lying in the reciprocating State for the routes specified in the Agreements entered into between the States of Karnataka and Goa, under intimation to the State Transport Authority of the reciprocating State and such extension shall for all purposes be valid for a period of thirty days without the need for countersignature granted by the State Transport Authority of the reciprocating State. The State Transport Authority of the reciprocating State, shall, however, in respect of such extension be competent to take action relating to its revocation and suspension as it would have been competent to take, had a countersignature been actually granted by it but for the provisions herein stated.

- g) The parties agree that in the case of Stage Carriages operated by the STUs the buses other than those mentioned in the permit will be allowed to be operated without any objection, without exceeding the total number of trips permitted in the Agreement, as it would be difficult to operate the vehicle indicated in the permit in case of repairs, breakdowns, accidents, etc.

II) Increase in Quota of Countersignature of Goods Carriages:

The parties hereto agree to increase the quota of countersignature of goods vehicles permits from 1800 to 2500 for each State.

This Agreement shall come into force with effect from 1st October, 2006.
